God chose to bestow upon us many blessings. One of the greatest of these was an "Angel" named Kayti. As the years have progressed and our family has extended, we have watched all of our seeds germinate and produce. You are one of our beautiful flowers. We pray that your seed will also bring you the happiness that you have brought us. We love you and continue to pray that God shines His light upon the path He has chosen for you.

... but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary ... Isaiah 40:31

We love you,
Mom and Ray

Dearest Jennie,

You've always been our angel (and a grounding influence for Ryan!). During the past four years we've watched you grow into an accomplished, confident young woman. As you enter the next exciting phase of your life know that your experiences at Meredith, along with our love and support, will always be with you. We are so proud of who you are and we love you so very much!

Dad, Mom, and Ryan

"Every single one of us can do things that no one else can, love things that no one else can love . . . We are like violins. We can be used for doorstops, or we can make music. You know what to do."

- Barbara Sher, author

You're straight "A" all the way, Charity!

Congratulations!
We love you!

Katie Baiden

We are so proud of you!
We love you!
Mom and Dad

Tara,

When love turns to inspiration . . . we are seeing the results. A young woman who puts her heart and soul into everything that she does. We love you sweetie and are so proud!

Love,
Dad, Mom & Hope Ann

Congratulations to Melissa Ann Poe!

Now that you are a
Meredith GRADUATE:

You have brains in your head
You have feet in your shoes
You can steer yourself
Any direction you choose.

You're on your own.
And you know what you know.
And YOU are the girl who'll
decide where to go.
(Dr. Seuss)

Melissa, as always, we are so proud of you! We have enjoyed all of your school days, from kindergarten to now a college graduate! You have always done well and always had a lot of fun and made it fun for us. From school plays, tennis matches, basketball games, softball games, homecoming court festivities, Father/Daughter Dance, Mother/Daughter Tea, Cornhuskin', it has been great! Now we have a new chapter starting with you becoming a SCHOOL TEACHER! You will be a wonderful teacher! Always do whatever it takes to make yourself happy and we will be behind you 100% and we will love you with all of our hearts!

Mom and Dad

Katie:

We are so proud of your

and Good Luck
in your future

Love, Mom and Dad

Dear Sarah,

Words cannot express how proud we are of you. Your determination, hard work, gifts, and talents overwhelm us with pride and joy. You have become an amazing woman. We pray you will take hold of all the promises God has planned for your life. He promises you a future filled with hope. **IS. 43:1** says **God formed your heart. Even before time began your life was in his hands.** Sarah, be encouraged and excited for your new journey ahead. God has great things in store for you.

We all love you very much. Daddy, Mommy, Rachel, Juniana and Michael

Congratulations Shannon

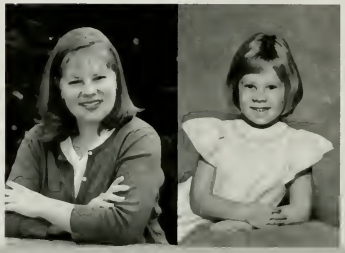
Shannon you have always strived to do your very best in school and college. We are so proud of you for all the hard work and dedication you gave to the Honor Council while at Meredith. Always remember you are very special to us!

We Love You,
Mama, Daddy and Ryan

Congratulations Brooke.

Where are you going, my little one, little one?
Where are you going, my baby, my own?
Turn around and you're two, turn around
and you're four,
Turn around and you're a young girl going
out of my door...

Love,
Mom and Dad



Meredith College,
The place for Genevieve
The first dorm room,
So you could groom.
Fashion to study,
With windows to ready
As Monet's gardens bloom
The path will steady.

Paris would welcome
To month's end,
While you become
Lifelong onyx friends.
Career choices grew
To include business as Dad knew.
A bridesmaid you've been
Now a bride-to-be will grin.

An "Angel" graduate
you have become,
A hopeful, bright life
now has begun.

All our love and best wishes,
Mom and Dad

Michelle,

It seems only a short while ago that we held your hand as you learned to walk. Today your feet are following the path you have chosen. You have grown into a wonderful young woman and are preparing to embark on new adventures. This year you are experiencing your college graduation, a new job, and in August will be getting married. Undoubtedly, the ensuing years will also be filled with wonderful encounters. We are thrilled to see those first tentative steps as a child have propelled you to an exciting future. We couldn't be more proud of our daughter.

Love,
Mom and Dad

Congratulations & Happy Graduation Catlin Darner.

You persevered and stayed the course! You finished the race! You climbed the mountain, step-by-step! You should feel justifiably proud of your academic accomplishments, for it is not everyone who can scale the walls of academia. Clearly, you set high goals and objectives for yourself, and you achieved them through hard work, determination, and positive motivation! We couldn't be more proud of you! Happy graduation to you with all our love!

As you step out in the world to make your mark, set your aim high to always be part of the solution to the world's challenges, and not be part of the problems. Dare to act and engage in your life's work and play. Doubt the world around you, but do not doubt yourself. As Shakespeare wrote, "Our doubts are traitors, and make us lose the good we oft might win by fearing to attempt!" Always remember, life is about love and taking care of others. You are our greatest legacy, and we pray for your peace and happiness throughout life!

Love, Mom and Dad

Elise,
I was just thinking about you the other day and how I know without a doubt that you will be a great teacher. You mean so much to me and I've always looked up to you. I don't know where I'd be without you. I will miss you so much when I am in Florida next year.

Love you always, Paul

Dear Elise,
As you leave your time at Meredith I have seen you mature in so many ways and become a young adult. You are now headed forward to follow your dream of teaching young minds. I am confident that you will do great, I am so proud of you!

Congratulations
I love you, Dad
